Land Rental Is Sextupled

THE DAILY RENTAL ON GOVERNMENT LAND NOW HELD BY LAU-
PSOSHOSH SUGAR COMPANY WILL BE RAISED FOR RE-
NEWAL OF LEASE BY OVER SIX HUNDRED PER CENT—AREA
252 ACRES.

One of the first matters which will be taken up by Acting Governor Moulton, during his absence of Governor Frear, will be the lease of the lands so present occupied by the Lau-Poshoshosh Sugar Company. Under the terms which will be placed before T. H. Davis & Company, the plantation's agents, the open rental on the land will be placed at \$2.50 per acre, no matter what the class of land is.

Under the old lease which expired on March 2, the land brought in a rental of only forty cents per acre, so

Explosion On Iroquois

A FIREMAN BADLY SCALDED IN
HOSPITAL—OTHERS SLIGHTLY INJURED.

While off Pearl Harbor this morning with Admiral Very and Captain Rees aboard, the United States tug Iroquois had an accident in her engine room, an explosion of steam filling that compartment and severely scalding Second Class Fireman John Mills.

Admiral Very as soon as the injured man was brought on deck, ordered a launch made ready for Honolulu, and he and Captain Rees and the crew of the launch came back to Honolulu with Mills, who was taken to the Naval Dispensary and put under the care of Dr. Smith, U. S. N. He was severely burned on the legs, back and arms, but will probably recover.

Others in the engine room at the time of the explosion sustained slight burns.

Admiral Very, who tomorrow returns to be succeeded by Captain Rees, was showing the new commandant of the Naval station about Pearl Harbor when the explosion occurred.

The tugs may return to Honolulu this evening, providing she can repair the injury in her engine room.

The launch which brought up the Admiral and the injured men was sent back to Pearl Harbor at 2 o'clock this afternoon, with provisions to care the men staying there over tomorrow.

It is not at present known what caused the accident, but it is thought a tube blew out. The engine was still full of steam when the Admiral left the tug and the cause had not been settled.

Mills, the injured man, says he was screwing up on a plug when something blew out and he was fearfully burned.

TO ENTERTAIN ADMIRAL.

The trustees of the Chamber of Commerce will entertain Admiral Very at an informal luncheon tomorrow at the Commercial Club commencing at 12:30.

Admiral Very will probably make a short address after the luncheon.

Business Men's Lunch.

The business men of the city are attending this new combination lunch very freely at the Alexander Young Cafe.
